## Movies and the number three:

I would like to say recently the movie producers are liking the number 3, such as:

1. The Little Mermaid III
2. Shrek The Third ( Shrek 3 )
3. Cinderella III: a twist in time
4. Santa Clause 3

## Night in the Museum:

Plot: When Larry Daley (Ben Stiller), a divorced father takes a job as night watcher of the museum of history he thinks it going to be an easy job, but he is proven wrong. As he soon learns the Museum comes to life at night he learns he has as much work as a zookeeper, ambassador, and entertainer.
